Abstract

In the Name of Allah, most gracious, most merciful, and peace be upon our prophet Mohammad and his family and those who follow them ever.

This research sheds light on one important and remarkable Paper of Aljahidh (255 HD) Work represented by (a hundred words) or (a hundred words of wisdom) Or (a hundred proverbs) As named Brocklman. These words are said by Imam Ali(p.) and compiled by Aljahidh to form later on a part of Nahjul Balagha. Most of this compilation is used by AL shareeful Radhi. Especially in last part of Nahjul Balagha . entitled (Advice & wisdom) . or Short Sayings He also mentions some of them in (Characteristics of Imam) . After that many of these words are collected by a scholar wahid Al Amede (550 AH) in (Ghurarul Hikam wa durarul kalim). Al maidan (518 AH) also narrates many in (mujamul Amthal).

In addition those words are narrated in many other sources such as:(Tuhaful Uqool)and Nuzhatul Nadher) and (Al durratul Bahira min Al Asdafil Tahira) . (Uyoonul Hikam walMawaidh wa ThakhratulMutaaidh wal waidh) and (Taraif Ibn Tawoos)(dustoor maalemul hikam) (majmaul Albahreim) (nathrul Laali) and Biharul Anwar) . moreover many of these words are mentioned in most of the interpretations of Najul Balagha. And its indicated and emphasized in the of these interpretations. That Al Jahidh has compiled (a hundred words).and caused their inclusion in Najul Balagha.
