## Abstract

Water projects between Iran and Qatar have participated in enhancing the joint relations after the Gulf war 1991 and the Consequences of political and economic effects which included the whole area. Iran is wishing to reconfirm its relations with the states of Arab Gulf Council, the Iranian government Presented to Qatar a project aiming at providing Qatar with with waters through a pipeline starting from Karon River, Southwest of Iran passing through Arab Gulf waters and at last reaching Qatar.

This project faced So many problems related to political Conditions in the area Lately in the Last Century and the high costs of Constructing this projects. This has made the project so difficult to be achieved.
