Abstract

The research aims to shed light on the attitude of the United States of America from the Cyprus coup on the 15th of July , 1974 and resulted in the overthrow Cypriot President Makarios, and the American administration followed with great interest, and it became clear from the documents that were not supported by the belief of American foreign policy makers, it is possible to lead to destabilize the island, and at the same time lead to the intervention of Turkey to protect the rights of Turkish Cypriots, which may lead to a war going on between them and Greece, which led to the cracking of NATO intervention and the Soviet Union in Cyprus.
