The good omen in morocco and Andalus

Asst . Lect. Afaq Lazeem Abdlu Latef

college of Education / Qurna / University of Basrah

Abstract

Optimism , positive feature of the normal self leaves effects on human behavior and attitudes and cultivated the hope . it has also urges human Élan and work , It is an expression of sincere for good positive vision of hife . This was the prophet Muhammad (Peace be upon him and his family) loved good omen that has to do with work and hope, which is associated with faith in God , where he is looking forward to the hope and expect good and lasting parking faraj .

In Morocco and Andalus were optimistic with good omen pursuance to what was pursued by the Holy prophet Mohammed (P B U H) .
