**People's reactions to the community
Kufi and Shami during and after the
tuff and political implications on the
Umayyad dynasty**

Asst .Prof. Dr. KefayahTarsh Al- Ali

college of Education for Women/ University of Basrah

Abstract

This paper deals with the reactions caused by the gentler revolution in the hearts of individuals and tribes and Islamic Alomassar then-impact news of the martyrdom of Hussein heard (peace be upon him) and his followers, which form a psychological barrier between the Umayyad and the general parish prevented their loyalty and dedication over time they cooperated with their enemies to get rid of them represent this upheaval Umayyad opposition which raised the slogan (Aaltharat Hussein) honest or to achieve other purposes has contributed to the fall of the Umayyad state in 132 AH / 749 AD.
