Introduction:

The increasing of any thing over its limit cause to reflect towards the opposite side .thus, it seems that the state will not lead to, and we see how the most stiff governments establish the kind of freedom racially.

If the freedom become to be free from the restriction, so dictator will be near, as the rich be afraid at that time from taking the democracy in order to destroy it, and thus they conspiracy in order to destroy it, and may be one of the adventure person ravishes the authority after promising his people of all their desires and needs, after that he will doing nothing.

The adventure ravisher will surrounds himself liting his enemy and ended with killing his friend to clean the states from those whom he dislike to settle the state .
