I would like to clarify that the difference in the ORCID number was due to a mistake during the submission process.

My correct and active ORCID ID is: <https://orcid.org/0009-0003-5414-3891>

All authors have provided written consent to this change and confirm that the revised authorship accurately reflects individual contributions. The corresponding author also provides brief written confirmation that informed consent was obtained from all participating students prior to their participation in the study. The authors declare no conflicts of interest associated with this correction and sincerely apologize to the readers and the *Modern Sport Journal* for the initial omission.
