This Corrigendum is brought to you for free and open access by AUIQ Technical Engineering Science. It has been accepted for inclusion in AUIQ Technical Engineering Science by an authorized editor of AUIQ Technical Engineering Science.

CORRIGENDUM

Corrigendum: Urban Resilience to Environmental Displacement: Sustainable Design Strategies in Samarra and Najaf

Ghufran Rassam Hade ^{a,*}, Khaled H. Mudhee ^b

^a Department of Sustainable Architectural Engineering, College of Engineering, University of Samarra, Iraq

^b Department of Dams and Water Resources Engineering, College of Engineering, University of Tikrit, Tikrit, Iraq

A Corrigendum on [Urban Resilience to Environmental Displacement: Sustainable Design Strategies in Samarra and Najaf](#) by G. R. Hade, and K. H. Mudhee, (2026). *AUIQ Technical Engineering Science*. 3(2):8. doi:10.70645/3078-3437.1068

Reason for Corrigendum:

The editors of AUIQ Technical Engineering Science wish to notify readers of the following corrections to the above-published article.

1. Co-author name

The co-author's name was published as:

Khalid Hammood Mudhahe

The correct name is:

Khaled H. Mudhee

2. Co-author departmental affiliation

The co-author's departmental affiliation was published as:

Department of Civil Engineering, College of Engineering, University of Tikrit, Tikrit, Iraq

The correct affiliation is:

Department of Dams and Water Resources Engineering, College of Engineering, University of Tikrit, Tikrit, Iraq

The editors confirm that neither correction affects the findings, conclusions, or scientific integrity of the published article. The online version of the article has been updated to reflect the correct author name and affiliation.

The editors apologise to the authors and readers for any inconvenience caused.
